A Summer's Day

In *A Summer's Day*, an old widow remembers the day, many years before, when her husband went out to sea in a terrible storm and never returned. Two old friends reunite in a play where the action takes place in two time periods. It revives and dramatises the emotions of love, both now and in the distant past.

Jon Fosse

Nobel Prize-winner Jon Fosse (b. 1959), is widely considered one of the most important writers of our time. For almost forty years, he has written novels, plays, poems, stories, essays, and children's books. His award-winning work has been translated into more than fifty languages and his plays have been staged over a thousand times all over the world.

Jon Fosse grew up in Strandebarne, a small village in the western part of Norway, he now lives in the Grotten, an honorary residence in Oslo, as well as in Hainburg, Austria, and Frekhaug, Norway.

Fosse was awarded the Nobel Prize in Literature in 2023 and has received numerous prizes, both in Norway and internationally through the years.
