The Planet Rescue Club: The Superhero Mask

The fifth book of the popular children's suspense series *The Planet Rescue Club*.

It's finally summer vacation! While Vanja, Sivert, and Mo enjoy themselves in the sun, an enormous luxury yacht with its own helicopter appears on the fjord. Out comes Alexandra Liu, one of the biggest movie stars in the world! She's here to shoot a scene for her new superhero movie about Queen Hero.

Vanja, Sivert, and Mo think it's exciting that a movie is being filmed in their village – but it also brings a lot of traffic, noise, and garbage. Then, the Queen Hero's expensive superhero mask disappears. The director suspects the Planet Rescue Club. Now, they must figure out who's behind the theft to clear their name.
