Jon Fosse

Jon Fosse is widely considered one of the world's most important living writers. Born in 1959 in Strandebarm, a small village in the western part of Norway, he lives today in the Grotten, an honorary residence, as well as in Hainburg, Austria, and Frekhaug, Norway.

Fosse has received numerous prizes, both in Norway and internationally, and he is mentioned increasingly often as a likely contender for the Nobel Prize. He has currently finishing a major seven-volume work of what he calls "slow prose". *Septology* consists of three volumes: *The Other Name: Septology I - II* was published in 2019 to international praise and longlisted for the *Booker International Prize*. *I Is Another: Septology III - V* was published autumn 2020 and *A New Name: Septology VI - VII* will be published in autumn 2021.
