Shadows

The story in *Skuggar* slowly unfolds in a landscape that isn't easily defined. A man encounters people he once knew – like the wife who left him for his best friend. His parents and his father's lover are also there. They are gathered there, not understanding where they are, and unable to avoid one another.

Jon Fosse

Nobel Prize-winner Jon Fosse (b. 1959), is widely considered one of the most important writers of our time. For almost forty years, he has written novels, plays, poems, stories, essays, and children's books. His award-winning work has been translated into more than fifty languages and his plays have been staged over a thousand times all over the world.

Jon Fosse grew up in Strandebarm, a small village in the western part of Norway, he now lives in the Grotten, an honorary residence in Oslo, as well as in Hainburg, Austria, and Frekhaug, Norway.

Fosse was awarded the Nobel Prize in Literature in 2023 and has received numerous prizes, both in Norway and internationally through the years.
